## New Year, New Furniture. . .

New seating options are now available at the law library thanks to a generous grant from the Stark County Law Library Association. Pale teal chairs have replaced the purple chairs that were located at the study tables at the front of the library and in the public computer room. The purple chairs have been moved to the study areas at the back of the library to provide more seating options there.

Stop by the law library to rediscover your favorite workspace—and don't forget to bring your wireless device to access the library's new wi-fi network!

## Ohio Westlaw Resources at Your Fingertips through the Stark County District Library

Since March of last year, the Stark County Law Library and Stark County District Library have teamed up to offer free (wireless!) WestlawNext access at all 9 district library branches. (Follow this link to find the branch nearest you: [https://  
www.thesmartstore.org/home/locations](https://www.thesmartstore.org/home/locations))

The district library's WestlawNext plan includes many Ohio resources, such as Ohio forms, Ohio case law, and the 3rd edition of *Ohio Jurisprudence*, that can be downloaded directly to a wireless device or e-mailed/printed via the district branches' public computers. Be sure to take advantage of this convenient research option—especially when a trip to the law library just isn't possible.
